Galvanized Steel 2 Ribbed Drop In Style Guard Rail 18 In. Length Gray

MODEL GR-F2R-DI-2-HDG

PRODUCT OVERVIEW

Protecting equipment, inventory, and most importantly individuals from damage or injury is always a concern. But, with a structurally strong steel guard rail those worries can be eased. This rail is double ribbed for impact resistance both indoors and out. A bolt-on style rail design allows the user to fasten the rails securely in place. Additional posts are available and sold separately. If adding a rail to an existing rail and post section, only a single post is needed.

KEY FEATURES

- 2 Ribbed design for secure protection
- Hot dipped galvanized for a rugged long lasting finish
- Drop-In rail with brackets and hardware
- Pre drilled surface mounting holes
