Steel Pipe Railing Barricade Base With Wheels White

MODEL VDKR-BB-W-WT

PRODUCT OVERVIEW

The barricade base is great for pipe safety railings. With the additional wheels, the safety railing becomes portable for simple immovability. The base is constructed of steel for strong structural support.

KEY FEATURES

- Pre-drilled lag down points saves time with installation
- Powder coat white finish provides durability and protection
- Heavy-duty steel pipe hand railing can be used in multiple application areas
- Railing protects people or employees from uneven walkways and mezzanine drop offs
